

Risk Warning

(under Section 5M of the Civil Liability Act 2002) On Behalf of Pymble Ladies' College, AHIGS and IPSHA

SPORTING ACTIVITIES 2018

Pymble Ladies' College organises many individual and team sporting activities during the course of a year. Some of these are organised in conjunction with the Association of Heads of Independent Girls' Schools NSW (AHIGS) and some with the Independent Primary School Heads' Association of Australia NSW (IPSHA). Students participating in these sporting activities take part in practice and in competitions.

Pymble Ladies' College, AHIGS and IPSHA take responsibility for their own safety by wearing compulsory safety equipment, by thinking carefully about the use of safety equipment that is highly recommended and by behaving in a safe and responsible manner towards team members, opponents, spectators, officials, property and grounds.

Pymble Ladies' College, AHIGS and IPSHA expect parents, spectators and other participants to behave in a safe and responsible manner, to comply with the IGSSA Code of Conduct and to set a good example for the girls.

While Pymble Ladies' College, AHIGS and IPSHA take measures to make the sporting activities as safe as reasonably possible for participants, there is a risk that students can be injured and suffer loss (including financial loss) and damage as a result of their participation in these sporting activities, whether at training or in actual events. Parents, spectators and officials could also be injured or suffer loss.

Such injury can occur while the student is engaging in or watching the sporting activity, or travelling to and from the event. The injury may result from a student's actions, the actions of others, and the state of the premises or equipment failure.

On some occasions, an injury can be serious (such as torn ligaments, dislocations, back injuries, concussion or broken bones). In very rare cases an injury can be life threatening or result in permanent disability. If a student has a pre-existing injury, participating in a sporting activity could result in an exacerbation of that injury.

Students could also suffer loss as a result of their personal property being lost, stolen, damaged or destroyed.

NON-SPORTING ACTIVITIES 2018

Pymble Ladies' College organises many activities such as debating, mock trial, orchestra and choir during the course of a year. Students participating in these activities take part in practice and in competitions.

The Association of Heads of Independent Girls' Schools NSW (AHIGS) administers and convenes inter-school activities (such as Archdale Debating and Festival of Speech) in which many students, including students of this school, participate.

While Pymble Ladies' College and AHIGS take measures to make the activities as safe as reasonably possible for participants, there is a risk that students can be injured and suffer loss (including financial loss) and damage as a result of their participation in these activities, whether at practice or in actual events.

Such injury can occur while the student is engaging in or watching a non-sporting activity, or travelling to and from the event. The injury may result from a student's actions, the actions of others, the state of the premises or equipment failure (e.g. a collapsed stage during a debating competition).

On some occasions, an injury can be serious (such as torn ligaments, dislocations, back injuries, concussion or broken bones). In very rare cases an injury can be life threatening or result in permanent disability.

Students could also suffer loss as a result of their personal property being lost, stolen, damaged or destroyed.
